Dear Darren,

Enclosed please find my few marked comments with respect to the note.

As for the pledge agreement - as I wrote to you, it we be a big problem for us and we would like to avoid it.

In addition to the note, we need a very short document or email from your client that will obligate it to transfer to the LLP the additional 500k within 10 days from the receipt of a notice from the GP of the LLP that the milestone was achieved.

Follow

I will be available for a call for every required clarification.

Udi
